Dear Madam/Sir,

I Padmanabhan Raghunandhan, as the inventor (USPTO Customer # 40876), grant the Power of Attorney for the patent titled "A system for using telephone numbers for emails and for a more efficient search engine" to my wife Mrs. Sujata Raghunandhan. She is free to choose any attorney or agent and has the ability to transfer the power to them or do what is needed to handle the patent.

This Power of Attorney is broad and covers everything that can be assigned to her. If she is unable to exercise her powers the Power of Attorney is granted to my children Natasha and Sonya Raghunandhan or agents appointed by them.

Thanks

Padmanabhan Raghunandhan
